Signature: 

Dear Sir:

Prior to examination of the above-identified patent application, please amend it as follows:

IN THE SPECIFICATION

After the title, please insert the following:

--Priority Claim

This application is a continuation of International Patent Application PCT/CH00/00456, filed on August 29, 2000, which claims priority to an earlier filed German Application Number DE 199 42 898 A1, filed on September 8, 1999.--

IN THE ABSTRACT

Please replace the originally filed abstract with the following:

--The invention relates to a measuring device for body fluids, comprising an access to the interior of the body and a sensor to which the body fluid to be measured is supplied via the access. The sensor is arranged on a part of the measuring device outside the body, in the
